- 1 Product type
- 2 Power 04:400W
- 3 working voltage 36: 12-24VDC 78: 36-60VDC 100: 72VDC
- 4 Number of conductors: 2: two wires, 3: three wires
- 5 Type of connector for contact: A UT4(4mm); B 6.3Insert spring

ORDER FORM DESCRIPTION

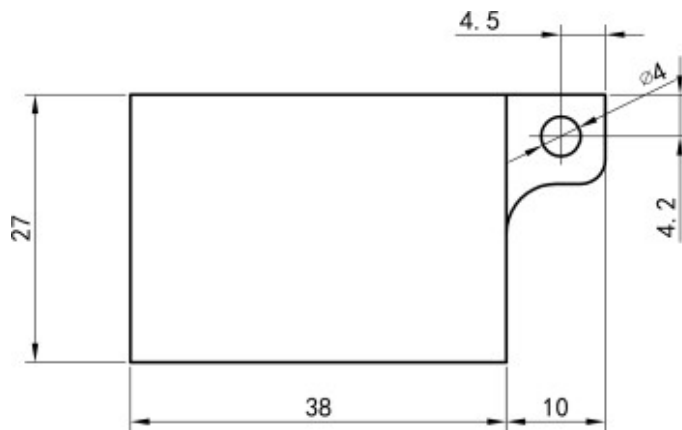

Note when ordering: The product cannot be used in circuits outside the specified parameter range. Special orders can be made if required by the user.

TECHNICAL PARAMETERS

(Version 1.00)

SAYOON Product Type	ST
Power	400W
Work voltage	12V-24VDC,36V-60VDC,72VDC
Line length	200mm
Wire specification	RV-0.3
